**Series 2: Submitting a Complete and Competitive LWCF Application**

The second series of LWCF workshops will be offered in January/February 2009. This workshop will focus on the details of the application process. To get the most out of this workshop, attendees are expected to have selected the project(s) for which they will be applying and begun their applications. Topics will include how to write your grant scope, the 6(f)(3) map requirement, what to include on cost estimates, responding to the project selection criteria, and tips to help you submit a complete application. A schedule of these workshops and their locations will be available in late Fall.

**RSVPs Required**

The workshops are free, but RSVPs are required. Please RSVP to Cristelle Momeyer at (916) 654-8686 by October 17<sup>th</sup>; let her know if you need any special accommodations. If you have any questions regarding the workshops please call the Office of Grants and Local Services at (916) 653-7423.
